This matter is before the Court on the joint oral motion of the parties to dismiss the petitions for warrant or summons for offender under supervision (Filing Nos. 140 and 147). The Court, having been advised by the parties and the United States Probation Officer that the defendant has completed the programming required of him by the Court at the last hearing, determines that Mr. Thomas should be released from supervised release and the petition and amended petition for offender under supervision should be dismissed. Accordingly,

IT IS ORDERED that the defendant, Marcus Thomas, is discharged from the supervision which began on November 4, 2005, and which was imposed pursuant to this Court's judgment on

October 16, 2002. The petitions for warrant or summons for offender under supervision are dismissed.
